Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on IL 17 at the I-74 interchange at Woodhull will begin on Monday, September 26, 2016. McCarthy Improvement Company is the contractor for the \$462,462 project to improve the roadway for 0.6 miles of IL 17 through the interchange area.

The contractor will be milling off the existing asphalt surface and resurfacing the roadway. Drivers should be alert for flaggers who will be directing traffic past the work operations. The project is scheduled to be completed by early November.

Please slow down and use extreme caution while driving through all work zones.
